A BILL FOR

An Act to amend section one hundred nine point eighty-seven,
(109.87), Code 1946, providing for continuous open
season for raccoons.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section one hundred nine point eighty-seven
- 2 (109.87), Code 1946, is hereby amended by striking from
- 3 subsection three (3) after the word "raccoon" the words
- 4 "November 10 to January 10" and inserting in lieu thereof
- 5 the words "continuous open season".

EXPLANATION OF H. F. 95

The closed season of two months on the killing of raccoons has allowed these animals to multiply in great numbers. Of late raccoons have inflicted heavy damage to small fowl and farm property. This bill would allow an open season on raccoons at all times so that these animals may be killed whenever they become pests or dangerous.
